Pulaski Industrial Corridor	69	1999	8	02%
Canal St/Congress Expy	63	2000	1	02%

*1 square mile = 640 acres

There are 13 total TIFs that intersect the ward, but some are so small as to be inconsequential. The Midwest TIF, for example, intersects a one block stretch of Washington Street (and no buildings, therefore, no property tax revenue generated in the 27th ward flows to the Midwest TIF).
