GUEST SPEAKER, TOM TRESSER

The TIF Illumination Project is a work of the CivicLab; a space for civic innovation and tool building that accelerates and enables grassroots democracy. The websites are www.tifreports.com and www.civicl原因.us. The founder is Tom Tresser (www.tresser.com), a long-time Chicago educator and organizer. Tom works to promote creativity, grassroots civic engagement, protecting the commons and fighting privatization. He teaches civic engagement, creativity, leadership and public policy at four local universities.
